RUN FOR A REASON

A series of fun-runs for the greater good!

Each month, from April through November, InStep's Third Ward location and a charitable organization will host a social fun-run/ walk to raise money for that charity.

There is a $10 suggested donation to the charity hosting the event, with all money going to that organization. Some of the charities will be accepting articles of clothing or nonperishable food items. More details, including a preview and profile for each charitable organization, will be provided each month in InStep's newsletter and on its website.

The runs will start out of InStep's parking lot with 2-mile and 4-mile routes available, and refreshments upon return. Please note that because these are fun-runs, and not timed or scored events, the routes are open to traffic so all traffic rules must be followed. Bring your families and friends and come join us for some fun in support of the greater good!
